asks-"Why is it that ladies persist in wearing their hats at the Opera-

house?' They don't.

THE Paris Democrat is now complaining because the Republican Administration has placed too much money in circulation! That's a charge that never can be brought against the Democracy.

THE Hon. HOKE SMITH of Georgia regrets to know that Mr. BRYAN insists on running for the Presidency some more, and says he will not find any considerable number of Southern states with him again.

Jo A. PARKER, Chairman of the National Committee of the Populists, says "The Populist party holds the key to the political situation." Won't some one be good enough to throw that fellow down and take the key from him? The political situation must be unlocked at all hazards.

THE Grayson Tribune strikes from the shoulder in this-

"Since the adoption of the new Constitution we have not built 100 miles of railroad in Kentucky, and as long as we defy the law, use the Courts for partisan purposes, refuse obedience to the will of the majority and continue to make war on corporations and wealth of all kinds we cannot expect to get our share of the Nation's prosperity."

New York City is under the absolute dominion of the Tammany Democratic Ring; and it is not at all surprising that in the management of the Water Department alone, from October, 1899, to August, 1900, the citizens have been robbed of \$4,107,302. With such "graft" in a single department of one city, what would CROKER and his gang do if they had control of Uncle Sam's affairs at Washington?

THE Duke of Manchester, who recently married rich Miss ZIMMERMAN of the Cincinnati Four Hundred, sailed with his bride Saturday from London for a visit to her father. The day before sailing the Duke appeared in the Court of Bankruptey, with debts of about \$250,000 and assets of less than \$40,000. Consideration of the case has been postponed until the young man returns from his visit to Papa ZIMMERMAN, who will probably be asked to whack up part of his millions for the debts of his Ducal son-in-law. Titles come high, but American fools must have them.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps, of Poteau, Ark. "It cured me of bloody flux. I cannot speak too highly of it." This remedy always wins the good opin ion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by J. Jas. Wood & Son, Druggists.

A DESPERADO KILLED.

the Same Time Another Man Was Shot in a Duel Two Blocks Away.

Middlesboro, Ky., Nov. 27.—John Hubbard, a desperado, was killed here Sunday night by Policeman John Turner, and Zuck Steele, a citizen.

Almost simultaneously with this tragedy and only one or two blocks away Will Watkins was perhaps mortally wounded by Aleck Bowlinson. Both are Negores.

Hubbard was killed while resisting arrest. He had been intimidating a number of citizens by flashing revolvers in their faces. Turner knew he had a dangerous man to handle and asked Steele to help him. The desperado fired on them as they advanced, and the fire was returned. Ten or more shots were fired in the engagement. Hubbard was shot three times, dying in five minutes.

Both were removed to the hospital. Neither is dead yet. The affair was witnessed by their 5-year-old child. Sommers was mad because he had been sent to the workhouse recently for assaulting his wife.

Drugged and Robbed.

Lexington, Ky., Nov. 27.-Mollia Mocaby was removed from the northbound Cincinnati Southern passenger train Monday night in what was believed to be a dying condition. She was revived sufficiently to talk, and claims that she was drugged and robbed of \$270 at Irvine, and that the men who drugged her put her on the train at Nicholasville and sent her to this city. She names a well-known Lexington man as one of the alleged robbers.

Drowned in the Flood.
